Dear Chapter 7 Petitioner:

I have been assigned as the Trustee for your bankruptcy case

As a representative of the Court, it is my responsibility to determine whether or not you have any assets which can be reduced to cash in order to bring about a dividend to your creditors.

It is important that you are aware that your case will remain open until all of my requests have been satisfied. Even after you have received your discharge in the mail, your case will remain open and your discharge will be subject to revocation if you fail to meet any of the Trustee's requirements.

The following are the minimum requirements of your Trustee:

Check if enclosed, (if not applicable please write "n/a"):

_____ 1) Copies of your 2004 federal & state tax returns. (Complete returns please). You will also be required to send us copies of your 2005 federal and state tax returns when you complete them in 2006, if you receive a notice from me. Please remember that any tax refunds you receive after your date of filing bankruptcy are property of your bankruptcy estate. This includes your 2005 tax refunds. If I notify you that refund checks may not be cashed by you the checks must be turned over to my office. Do not endorse the back of refund checks. Failure to do so will result in my objection to your bankruptcy discharge.

_____ 2) Date and amount you received your last tax refunds

Date: _____ Federal: \$ _____

Date: _____ State: \$ _____

_____ 3) Copies of all auto, boat, motor home, mobile home and any other recreational vehicle titles. (If you own your vehicles you will have the titles, if your lien holder has your title make sure you note that on the vehicle questionnaire).
